

Property Preparation Checklist

Avoid the 10 most common on-site mistakes before filming day.

VISUAL READINESS

- 01** Remove personal items and clutter from all visible areas.
- 02** Make every bed neat: smooth sheets, straight pillows.
- 03** Clean glass and mirrors: no fingerprints or streaks.
- 04** Hide cables, chargers, and small loose items (use a tray if needed).
- 05** Check outdoor spaces: pool, terrace, and sunbeds clean and aligned.

OPERATIONS & ACCESS

- 06** Make sure all areas are easy to access (keys, cards, doors unlocked).
- 07** Prepare clear parking and entry instructions for the crew.
- 08** Write down special rules (quiet hours, private zones, drone limits).
- 09** Choose one on-site contact person for quick decisions.
- 10** Refill bathroom basics: soap, toilet paper, tissues, and fresh towels.
